

January 2024

Masterpoints have a continuous accumulation every year and its accumulating since 2017. On the 1st of January every year the Masterpoints Pass Mark threshold will increase by 10 MP

This Year 2024 the Pass Mark threshold will be 60 MPs for Mondays & 70 MPs for Wednesdays.

Following is just some information On Masterpoints from the NBC Bye-Laws

- 6.1 If you did not play for the last two consecutive weeks, your accumulated Masterpoints will be considered. (The accumulated Masterpoints are calculated from 2017 up to current.)
- 6.2 Both the partners must have Masterpoints higher than the number assigned for that year. This will be increased every year at the discretion of the committee, which will be relayed to the members.
